To Whom It May Concern—This is to certify that I hold a contract in the Equitable Home Association of St. Louis, Mo., and that under said contract I was given possession of my home in accordance with its terms.

I am well pleased with the "Rent Builty Plan" for securing a home, and believe it to be the ideal way for a man to accurdate his savings and secure a home for his family, and thus become his own landlord. I have been acquainted with the management of the Association for a number of years, and have confidence in their ability to carry out what they undertake. Respectfully yours.
